

NOTCH Grow It Forward Community Garden

We're a community powered garden growing fresh produce to support our food table and help with the cost of living impacts. Come help plant, weed, water and tidy the garden so we can harvest healthy food for the community

Every hand helps - Come grow with us
Fridays 9.30am - 11.00am
52 Palm Drive Deeragun

Morning tea provided
as part of our Communitaea

This project has received funding support from the Queensland Government's Community Sustainability Action grant program
